Subject: INQ Esteban Bovo Miami-Dade County Commissioner, District 13 (Voting Conflict)

Assistant County Attorney Gerald Sanchez inquired on behalf of District 13 County Commissioner Esteban Bovo whether the Commissioner would have a voting conflict of interest under Section 2-11.1(d) of the County Ethics Code in connection with a matter coming before the County Commission that would de-regulate the amount charged by local hospitals for helicopter transportation. Currently, the Count sets that amount, and this item would permit the local hospitals to set the rate. Commissioner Bovo was asking in light of his position as a private consultant to Miami Children's Hospital, one of the hospitals that would be affected by the change. Since Commissioner Bovo is a consultant to an entity that would be affected by the item coming before the board, I advised ACA Sanchez that he would have a voting conflict of interest under Section 2-11.1(d) since a consultant is one of the designated relationships that would automatically trigger the voting conflict provision.
