Matthew Haber, Assistant City Attorney for the City of Miami inquired regarding which form should be submitted by public officials to comply with the quarterly gift disclosure requirement under Section 2-11.1(e)(4) of the County Ethics Code. I informed him that for those officials covered by the disclosure requirements of Chapter 112, Florida Statutes, that submission of the State Form 9 would suffice. Other employees could use the County disclosure form, but either form containing the required information would meet the disclosure requirement of Section (e)(4).
