Subject: INQ 15-97, Brian O'Connor, North Miami Beach Procurement Director (Cone of Silence)

Brian O'Connor, Procurement Director for the City of North Miami Beach, inquired regarding whether it would be appropriate for the City's consultant on an RFP for employee health care to communicate with the two responders to the RFP, while the Cone of Silence is in effect, in order to clarify their responses to certain matters raised in the bid documents. I advised Mr. O'Connor that, since the communication was intended to clarify a matter of process or procedure involving the existing bid documents, which is specifically exempted by Section 2-11.1(t)1.(a)vii of the County Cone of Silence and which applies to the City of North Miami Beach, the communication would be permissible.
