**Subject:** Outside Employment Hours

To whom it may concern,

Can a full time county employee hold two full time jobs or is there a maximum amount of hours that can be worked on the outside? I've seen employees owning businesses and never had an application for outside employment denied. I'm a shop steward representing an employee who is facing dismissal for having two full time jobs and a quick response from your office will be greatly appreciated. Thank you.

Respectfully,

**Richard Dunbar**
