**Subject:** INQ 17-278 Jose Villalobos, Esq., City Attorney, City of West Miami (Exploitation)

Attorney Jose Villalobos, City Attorney for the City of West Miami, inquired concerning whether it would be an Exploitation of Official Position under Section 2-11.1(g) of the County Ethics Code for a City Commissioner running for reelection to the Commission to wear a T-shirt identifying that person as a City Commissioner while campaigning. I explained that the mere wearing of such a T-shirt would not be considered Exploitation since such apparel is allowed to be used for identification purposes during political campaigning. This is consistent with INQ 14-205.
