Margie,

Per our discussion, I reviewed the attached Letter of Support that Commissioner Heyman has drafted in support of Midtown Towing for a contract in the City of Miami. I conclude that as long as Midtown Towing is not doing business with Miami-Dade County or is not actively seeking to do business with the County, then Commissioner Heyman can forward the Letter of Support to the City of Miami.

If you wish to discuss the above with me in greater detail, please contact me at your convenience.

Sincerely,

Robert Meyers
