Christina Prkic from Weiss Serota called and asked about a councilwoman in Miami Lakes who is being sued by Lowell Dunn under Section 1983. Dunn owns farm land in the area and the councilmember who is being sued is contemplating proposing an ordinance that would all land in Miami Lakes designated as agricultural. Ms. Prkic wants an opinion whether the councilmember can propose the ordinance and vote on it. Due to the fact the proposal is an ordinance and it affects many landowners including Mr. Dunn, the councilwoman can propose the ordinance and vote on it.
