Subject: Inquiry

Andrea Garland from the Public Health Trust asked whether it was a conflict for Trust employees to attend an exposition (trade show) and hear a presentation from a proposed vendor at the PHT (the solicitation is currently on hold) when the presentation and the Chicago Trade Show is related to the firm's proposal to the Trust. I consulted with Ardyth Walker and we concluded that as long as the Trust notices the bidder's presentation at the exposition, the Cone of Silence would not be violated.
