Subject: RE: Outside Employment

Ms. Triana,

Timeshare properties do not have to be reported. The location of the rental property is irrelevant. If an employee has more than one rental property and these properties are rented out, then the outside employment rules apply.

If you have any additional questions, please contact me at your convenience.

Robert Meyers, Executive Director
Miami-Dade Commission on Ethics and Public Trust

Good Afternoon,

During my employee trainings, the following questions have been brought up:

- 1) Do timeshare properties need to be reported?
- 2) Do rental properties need to be reported if they are outside of Dade County?

THANK YOU!!
