Liz,

I agree. Section 2-11.1(m)(2) does not prohibit board members from appearing before their boards on their own applications. If, however, the applicant is a distinct legal entity (a corporation of a board member), I would give you a different opinion.

While, we will not allow a board member to represent third parties before the board, I don't believe that the Codes prevent them from filing applications and appearing before the board on their own application. Do you disagree?

I've looked in the Board book and can't find the answer to my question in it - is a Board member allowed to present on his own behalf to a Board that he sits on? A HPB member is coming before the Board for a Certificate of Appropriateness for additions and alterations to his home, and is requesting 2 variances for the addition/alteration. Is he allowed to make a presentation/request of his own Board?
