Diane,

I consulted with our staff attorney and she and I are of the opinion that the form should be completed and the income should be disclosed. The two forms operate in tandem and it doesn't make a great deal of sense to require one without the other.

If you have any additional questions, feel free to contact me.

Thanks,

Robert Meyers

Subject: Outside Employment Request question - 11/9/01

John Aligood and I are having a difference of opinion on the following question: Do military reservists have to complete a Request for Outside Employment? I say yes even though the Director couldn't deny it; he says no because she couldn't deny it anyway. The Ordinance doesn't make any distinction because we must "maintain a complete record of such employment."

Also, would they have to complete the Outside Employment Statement? We both agree they should since it is income.

Thanks for your help.
