Kyndal,

I had an opportunity to discuss this matter with the Ethics Commission's legal counsel and she and I agree no conflict of interest is created if a Trust member sits on the selection committee which reviews proposals and makes recommendations that ultimately will be presented to the Trust itself.

If you need additional information, feel free to contact me.

Vizcaya Museum and Gardens, a department within Miami-Dade County, is prepared to put out to bid RFP # 337. According to A.O. 3-34, the Department of Business Development will establish a pool of potential selection committee members. At Vizcaya's request, we were able to obtain permission to increase the number of voting members on that selection committee. We are requesting a legal opinion from the Commission on Ethics and Public Trust as to whether Vizcaya Museum and Gardens Trust members may be allowed to serve on that selection committee when the decision to award the bid ultimately rests with the Vizcaya Museum and Gardens Trust.

Please advise. Regards,

Kyndal Campbell
