Mr.. Lorenzo,

I apologize for the delay in getting back to you. Until the MAC is formally dissolved by the Board of County Commissioners, the members of the MAC are bound by the Sunshine Law. However, the members of the Fontainebleau MAC may with the Fontainebleau Park Federation regarding the golf course development because it is not an issue related to incorporation. The meeting may take place behind closed doors as long as the meeting agenda nor any discussion during the meeting includes matters that came before the MAC or involve issues related to incorporation. For the protection of MAC members, minutes should be taken as a record that incorporation matters were not discussed. Please contact me at 350-0616 if you have any further questions.

I am hopping that we can get an answer from you right away. We are most eager to star the zoning process. This will require a lot of time and energy to resolve and since the people in the MAC are so highly qualified to performed this duty, it would be a waste of talent for our Community to have them side line during this process.
