Ms. Owens,

This is to confirm the fact that we had a conversation and I advised you that the County's Conflict of Interest and Code of Ethics Ordinance does not prohibit the Gerontological-Economic Research Organization (GERO) to pay travel and reasonable travel-related expenses for your trip to Switzerland due to the fact that GERO is not a county vendor.

If you have any questions concerning the above, feel free to contact me at your convenience.

Sincerely,

Robert Meyers

Subject: Opinion on Travel

Robert Meyers

Just following up on our phone conversation on Thursday, September 9 confirming that your office saw no conflicts regarding my trip sponsored by the Gerontological-Economic Research Organization (GERO) of Switzerland. You further stated you would put the same in writing reflecting that opinion. I wanted to make sure I received written approval prior to my travel which takes place Friday, September 17th.

Please let me know if I can expect the written opinion before Friday. I can be reached at the number listed below.
