Subject: Gift Question

Maria,

The question you posed earlier in the day was whether you had to report gifts given to you by the Public Health Trust in appreciation for your service to the Trust as an employee of the County Attorney's Office. I conclude that these gifts need not be disclosed because the donors are County officials/personnel and a special occasion (your reassignment back to the downtown office) was the basis for the gifts.

If you have any questions or wish to discuss the above in greater detail, feel free to contact me at your convenience.

Thank you,

Robert Meyers
