Mr.. Salomon,

After discussing this matter with our staff attorney, we believe there is no conflict of interest under the County Code of Ethics Ordinance for you to sit on the committees and subcommittees of the Performing Arts Center Trust.

Dear Mr. Meyers: I would appreciate your review of the attached documents and your comments with regard to my request to remain a member of the 3 Performing Arts Center Trust committees and subcommittees which I presently attend. Thanking you in advance for your assistance.
