Re: Pentagon Health Care (Ernie Neal)

The corporate filings of Pentagon Health Care indicate that the company was administratively dissolved by the Department of State on September 22, 2000 thus losing its corporate identity. I have attached a copy of an invoice from JMH showing Pentagon delivered 50 cases of flush bags on February 28, 2001. Total price of the order was \$9, 703.00. It appears that Pentagon continues to do business with the county.
