Subject: Miami Lakes - Voting Conflict

Importance: High

Hi Robert

This is just to confirm our discussion regarding the voting conflict issue at Miami Lakes. It is your opinion and recommendation that neither Councilmember Pizzi nor Councilmember Thomson can participate in any discussion on Agenda Item 12(C)(6) "Terms of Office" sponsored by Councilmember Pizzi as they both have a voting conflict. Accordingly, both should "absent himself" from the room prior to this item being introduced as required by the County's Ethics Code. Finally, since neither can participate in any discussion and must leave the room, the Town Manager may introduce this item by reading Councilmember Pizzi's memorandum to the Town Manager out loud. Please reply and confirm that this email accurately reflects our discussion. Thanks.
