Good morning Pete,

I reviewed this question with Robert Meyers, our Executive Director, and we agree with Mr. Laserte's understanding. You, therefore, may meet with him.

Have a nice day,
Christina

Christina,

Mr. Laserte, a zoning attorney that has appeared before our Community Council has sent me the email below. I need to know if his understanding is correct and if I am allowed to meet with him.

Thank you once again for assistance.

Sincerely,

Pete Cabrera
Doral Community Council Member

Pete, I hope you are doing well. I have a client that wants to submit a Master Plan Change application in the Doral area. I would like to meet with you to get your thoughts and comments. Since this is a legislative matter and not a quasi-judicial matter, I believe that you can meet with applicants. Please let me know. I really appreciate your help.
