REPORT OF INVESTIGATION

K 11-075

Date                    May 29<sup>th</sup> 2011  
Opened:

Date                    July 12, 2011  
Closed:

Name of investigator: Breno Penichet

**Allegation:**

**This investigation is predicated upon information received in the form of an anonymous letter alleging that a Miami Dade County (MDC) employee was attempting to help his son out of legal trouble by exploiting his official position.**

**Investigation:**

OIA Investigator B. Penichet reviewed the information received. According to the letter, an employee by the name of McRink (NOI) was attempting to use his influence as a (MDC) employee to assist his son (NOI) who may be in some type of trouble with the judicial system. OIA Investigator Penichet checked the MDC employee e-mail list, EDMS, Clerk of the Courts, and Accurint data bases. No information was found.

Due to the fact that the anonymous complaint gave limited information and that no county employee named "McRink" could be located, this case is closed and no further action will be taken.

In the event any new information comes to light, the investigation may be re-opened.
