Case No: 07-27

PUBLIC REPORT AND ORDER ACCEPTING SETTLEMENT AGREEMENT

The Advocate filed the above-captioned complaint against Ricky Arrendondo ("Respondent"), a sales representative for Lawson Software, for alleged violation of Section 2-11.1(s) (2) (c) (failure to file principal authorization form). The complaint alleged the Respondent retained an unregistered lobbyist to assist his client on a Public Health Trust contract.

In 2006, the Public Health Trust issued a Request for Proposal (RFP) for Enterprise Resource Planning software. The ERP software is used for financial applications including patient accounting. In February 2007, the Public Health Trust recommended award of the contract to Siemens Healthcare. The contract combined the award of the ERP software with a software contract for patient accounting. The Respondent hired Dominic Larocca to assist with

lobbying efforts on behalf of Lawson. Lawson sought to influence Trust representatives to bifurcate the award and split the contract between Siemens and Lawson. Towards that end, LaRocca contacted Trust officials by e-mail and raised several concerns regarding the selection process and Siemens performance on other contracts. During the time that LaRocca contacted Trust officials, he was not registered as a lobbyist for Lawson.

On October 24, 2007, the Respondent stipulated to legal sufficiency and probable cause. Thereafter, the Advocate presented a proposed settlement wherein the Respondent admitted the allegations in the complaint and agreed to a letter of instruction. The proposed settlement agreement also provided for a fine in the amount of five hundred dollars and investigative costs in the amount of five hundred dollars.

Upon review of the complaint and the proposed settlement and finding the settlement agreement in the best interest of Miami-Dade County, the Ethics Commission accepted the proposed settlement agreement.

Therefore, it is:

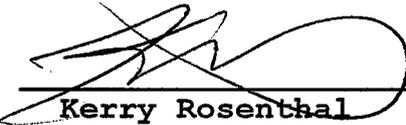

ORDERED AND ADJUDGED that the Respondent will receive the attached letter of instruction and pay a fine of five

hundred dollars plus investigative costs for violation of
Section 2-11.1(s) as provided in the settlement agreement.

DONE AND ORDERED by the Commission on Ethics and
Public Trust in public session on October 24, 2007.
