VOLUNTARY STATEMENT OF FAIR CAMPAIGN PRACTICES

As a candidate for public office in Miami-Dade County, I believe that political issues can be freely debated without appealing to racial, ethnic, religious, sexual, or other prejudices. I recognize that such negative appeals serve only to divide this community and create long-term moral, social, and economic problems. Therefore,

1. I shall not make my race, religion, national origin, gender, physical disability, or sexual orientation an issue in my campaign.
2. I shall not make my opponent’s race, religion, national origin, gender, physical disability, or sexual orientation an issue in my campaign.
3. I will condemn any appeal to prejudice based on race, creed, national origin, religion, gender, physical disability, or sexual orientation.
4. I shall not, without just cause, attack or question my opponent’s patriotism.
5. I shall not publish, display, or circulate any anonymous campaign literature or political advertisement.
6. I shall not tolerate my supporters engaging in these activities that I condemn, nor shall I accept their continued support if they engage in such activities. I will not permit any member of my campaign organization to engage in these activities and will immediately and publicly repudiate the support of any other individual or group that resorts to the methods and tactics I condemn.
7. I shall run a positive campaign emphasizing my qualifications for office and positions on issues of public concern.
8. I will limit my attacks on an opponent to legitimate challenges to that person’s record, qualifications, and positions.
9. I will neither use nor permit the use of malicious untruths or innuendoes about an opponent’s personal life, nor will I make or condone unfounded accusations discrediting that person’s credibility.
10. I will take personal responsibility for approving or disavowing the substance of attacks on my opponent that may come from third parties supporting my candidacy.
11. I will not use or permit the use of campaign material that falsifies, distorts, or misrepresents facts.
