Good afternoon Senator Silver. I spoke with Robert Meyers of the County's Commission on Ethics and Public Trust concerning your lobbying subsequent to your membership on the Board of Trustees. Our discussion concluded that there are basically 3 scenarios that you may be concerned with for the 2-year following your membership on the Board of Trustees: (1) you could not lobby the Trust on behalf of profit-making entities; (2) you could lobby the Trust on behalf of 501(c)(3) entities; and (3) you could represent the Trust as a lobbyist. If you should have any questions, please feel free to contact me.
