Dear Mr. Bell,

You inquired today about your ability, as a community council member, to accept Section 8 Housing Vouchers from your tenants. I advised you that because neither you nor your immediate family are employed by Miami-Dade County, you do not need permission from the Ethics Commission to accept Section 8 Vouchers. As we discussed, however, your financial disclosure forms will reflect your income from Section 8 funding.

If you have further questions regarding this matter, please feel free to contact me.

Sincerely,

Victoria Frigo
