Hi Lourdes,

As I understand it, the City of West Miami is asking Commissioner Sosa to solicit the Florida Marlins for baseball caps to give to those who are participating in a domino tournament the City of South Miami is sponsoring. Your question is whether the Commissioner can take part in this solicitation. I see this as one government (the County) soliciting to benefit another government (West Miami). As long as a public purpose is involved, and that appears to be the case with this domino tournament, I am of the opinion that Commissioner Sosa may solicit the Florida Marlins on behalf of the City of West Miami to benefit the domino tournament participants.

If the Commissioner has any question, please have her contact me at your convenience.

Thanks,

Robert Meyers

Commissioner,

Commissioner Luciano Suarez is hosting the next domino tournament in the City of West Miami on April 20th, 2007 starting @ 10:00 AM.

Commissioner Suarez would like to be able to give out Florida Marlin hats to our domino participants. We expect 100 guests. Please advise if you can assist with this request.

In addition to the above, we would be honored to have you as a special guest at this event. We are expecting a number of municipalities within your district to attend. I will be forwarding a calendar invite to Betty so that she can place the April 20th event on your calendar.

Thanking you in advance for any consideration that you are able to give to this request.
