I received a telephone call Mitch Bierman of Weiss, Serota who asked whether the current Town Manager of Cutler Bay would have a conflict of interest if he participated in a discussion and possibly offer a recommendation concerning the Town's billboard ordinance. The basis of the possible conflict stems from the fact he was a lobbyist for one of the companies owning billboards that will be affected by this ordinance. The Manager's contract with the company ended 18 months ago. I advised Mr. Bierman that due to the fact the Manager has no present business relationship with one of the companies to be affected by this ordinance, he may participate in this matter.
