Miriam,

I spoke to Hugo and Gerald about this and the three of us agree that the Cone of Silence is off if when the Board waives the competitive bidding process and staff commences negotiations with a number of firms.

If you wish to discuss, feel free to call me.

Thanks,

Robert

Robert:

If the Board waives the competitive bidding process for a solicitation and asks staff to negotiate with a number of firms to arrive at a contract recommendation without the formal competitive process, is the cone on or off?

Please advise.

Thanks,

Miriam
