RE: INQ 08-22 Bob DuPuy, Pres., Major League Baseball, must register as a lobbyist when he addresses the City of Miami council meeting on a matter dealing with building a new baseball stadium.

Nicole, from the City of Miami Clerk's Office, called today to inquire if Mr. DuPuy was required to register as a lobbyist when he addresses the city council today.

Robert Meyers and I concurred that Mr. DuPuy is seeking to influence a government decision through his appearance before the council as a representative of a third party, the Major League Baseball Association. Consequently, I told Nicole that Mr. DuPuy must register as a lobbyist as per Section 2-11.1 (s).
