Jose,

The Cone of Silence would not be in effect for meetings with commissioners to discuss possible changes to the county's Administrative Rules. If you have any questions, please do not hesitate to contact me at your convenience.

Subject: Briefing Commissioners on an Item - Issues With the Cone of Silence

Robert,

Our office is preparing an item for the Board of County Commissioners to consider that would make changes to the County's Building Better Communities Bond Program's Administrative Rules. Some of the proposed changes will impact a Request For Proposals that is currently open. My question is, can our office, or staff from other County offices, visit commissioners one-on-one to explain the proposed changes in the item prior to the actual meetings or would these visits be construed as a violation of the cone of silence?

Thanks,

Jose A. Galan
