Hi Yolanda,

As long as the second position would not create conflicting duties/responsibilities for the employee, there is nothing in the county's ethics code that would prohibit a part-time employee from holding a second position with the County.

If you wish to discuss, please feel free to contact me at your convenience.

Thanks,

Robert

Hi Robert,
Can a part-time, Miami-Dade County employee hold a second position with the same County department through a temporary agency?

Thanks.
