Hi Cynthia:

It is entirely appropriate for you to write a letter of recommendation for the consultant, as your recommendation letter is based on your experiences in County government working with this consultant.

If you need anything else from me, please do not hesitate to contact me.

Sincerely,

Robert Meyers, Executive Director
Miami-Dade Commission on Ethics and Public Trust

Subject: Letter of Recommendation for a consultant

Robert,

I have been asked by a consultant who works with my office, the Homeless Trust and the Office of Community and Economic Development to write a letter of recommendation which would be provided to the City of Miami where the consultant is under consideration for continuation of similar consulting work.

Please advise if it is appropriate for me to prepare such a letter in my official role. If more information is required, please advise.

Thank you.
