Bernardo,

I just saw your e-mail this morning. I am not aware of any limitation and I can't see how these charges would present an issue since the credit card is being utilized for official county business.

Subject: Restrictions on Commissioner Issued Credit Cards

Robert,

The Commissioner has to purchase airline tickets for a flight to Brazil (Official County Business) on Monday. The cost of each airline ticket is \$4,700. They have to be paid by credit card on Monday morning. I remember reading something from you which limits the use of his County issued credit card to a much smaller dollar limit. Please let me know if there are any restrictions that apply to this transaction, because if he does not pay them by Monday morning, he loses the reservations on American Airlines.

Thanks,

Bernardo
