Re: INQ 09-159 Registering as a County Vendor

Dear Mr. Bordes:

In correspondence to our office on September 21, 2009, you said that you wish to register BLUE-FI WIRELESS COMMUNICATIONS as a County vendor.

The facts as we understand them are as follows:

- * You are employed by Jackson Memorial Hospital as a Registered Nurse.
- * BLUE-FI WIRELESS COMMUNICATIONS is the name of your sole proprietorship.
- * BLUE-FI WIRELESS COMMUNICATIONS deals in information technology marketing.

It is the opinion of the Ethics Commission staff that BLUE-FI WIRELESS COMMUNICATIONS may register to contract with the County as long as any contract does not interfere with the full and faithful discharge of your duties to the County. This includes the condition that you not participate in determining the contract requirements or in awarding the contract. Additionally, none of your job responsibilities and job descriptions may require you to be involved in the contract in any way including, but not limited to, its enforcement, oversight, administration, amendment, extension, termination, or forbearance. Finally, you may not work in any County department or agency that will enforce, oversee, or administer the contract. In other words, **as long as you are employed by Jackson Memorial Hospital, BLUE-FI WIRELESS COMMUNICATIONS may not contract with Jackson Memorial Hospital.**

If any of the facts you have presented change, or if you have further questions, please do not hesitate to contact me at 305 350-0601.

Sincerely,

VICTORIA FRIGO
Staff Attorney
