Lorena:

I spoke to Gerald Sanchez today and he advised me that Commissioner Martinez would like a written opinion regarding the payment of membership fees for NALEO. After reviewing NALEO's mission, I find that the organization advances a legitimate public purpose in a non-partisan manner, permitting the expenditure of County funds on the membership fees for Commissioner Martinez.

If you have any questions, feel free to contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director
Miami-Dade Commission on Ethics and Public Trust

Lorena. Check with cuevas for an opinion as to payment. Is this an individual thing or part of my duties as a county commissioner?

Dear Lorena,

It was a pleasure speaking with you today and learning about the new affordable Health Plan commissioner Martinez had passed. I spoke with our Manager of Media Relations, Eric Wagner and he is excited about receiving more information.

I would like to take this opportunity to invite Commissioner Martinez to renew his membership with NALEO. Attached is a membership form or you can also visit our website and renew his membership online. Also our annual conference is taking place this month June 25-27, 2009 in Los Angeles, CA.

The NALEO Annual Conference has earned an impressive reputation for delivering a high-quality content-driven conference and continues to be recognized as the official "Latino Political Convention." Participants are provided with dynamic discussions and presentations on critical policy issues as well as vital information regarding education, health, sustainability, and Latino civic participation.

We hope he can join us, as the NALEO 26th Annual Conference ***needs to be on your list of national conferences*** to attend in 2009!
