I received a phone call from Dr. Sara Pisano, director of County Animal Services, on June 12, 2009 about the composition of the Animal Services Foundation Board. She wanted to know whether the wife of the County Manager George Burgess could sit on the board. Dr. Pisano advised me that the Foundation will make periodic reports to the Manager's Office, but his office does not fund the foundation. I advised Dr. Pisano that no conflict of interest exists as neither the County Manager nor his wife receives a special benefit by her serving on this board.
