Martha:

If the board has been dissolved for more than a year, then the members would not have to file. If the board is still considered active, then the members are required to file. The frequency of the meetings is not the relevant issue – it's more a matter of whether the board continues to exist.

If you need additional information, feel free to contact me at your convenience.

Thanks,

Robert Meyers

Robert,
See e mail below from Mr. Kirschbaum in response to my email. We need to know if they have not met over a year. Are they still subject to financial disclosure? If you need more information on the board activities please contact Robert Kirschbaum at OSBM.
I really appreciate your help with this.
Thank you.

These people were members of the Biscayne Gardens MAC through all of 2008. The activities of the MAC are covered by a BCC moratorium and they have not met in over a year. The members have been reminded of the requirement to file but have not responded. If they have not filed by the September 1 deadline, then please take the appropriate step.

Importance: High

Robert,
These members have not filed their financial disclosure form. It s very important that they file if not I will have to submit their name to the Miami Dade Ethics Commission. Were they active 12/31/08?
They need to file only one of the attached forms and mail it to our office as soon as possible. Deadline is September 1st.
If you have any questions feel free to contact our office at phone number below.
Have a nice day,
