Hi David:

The county ethics code places no restrictions on the size of a donation/gift that a lobbyist can give. You may want to check with the Florida Commission on Ethics to make certain that you would not be running afoul of state law.

Hi Robert- Richard wanted me to ask you whether there is any impediment for our firm to make a donation to this charitable cause pursuant to this request, because of our status as lobbyists appearing before the County Commission.
Thank you.
