RE: INQ 10-96, Barbara Kramer
Gift Disclosure, Sec. 2-11.1 (e)

North Miami Beach Councilwoman Barbara Kramer asked if she could accept the following gifts:

1. Attendance at an open house VIP party this evening, May 26, 2010, for a new restaurant in North Miami Beach (probably the Water Club, but she did not indicate which restaurant). She said that some elected officials were declining the invitation because of the owner's association with adult-entertainment facilities.
2. A sit-down dinner for her and her husband at the same new restaurant the following day, May 27, 2010.
3. A 20 minute ride in a helicopter provided by a local aviation company seeking to influence the North Miami Beach City Councilmembers to allow a helipad to be placed in their city.

I told the Councilwomen to make gift disclosures each quarter if gifts from one person or entity totaled more than \$100 per quarter. I also advised her to check with her city attorney to determine if the city code prevented accepting gifts under any circumstances.
