Ms. Castillo:

Ms. Ingram's duties with the county's Department of Planning and Zoning and her appointment to serve on a city of Miami selection committee for an affordable housing project would not be in conflict. Therefore, she can accept the appointment to the selection committee.

If you have any further questions, please do not hesitate to contact me at your convenience.

Robert Meyers, Executive Director

Good Afternoon Mr. Meyers,

The e-mail below soliciting an opinion was received from Ms. Cordella Ingram. She is employed at the Department of Planning and Zoning as a Principal Planner within the Zoning Evaluation Unit of the Department. The Zoning Evaluation Unit is charged with conducting research, analysis, and issuing comments that provide an early indication of whether or not the Department might support a zoning hearing application.

Thank you for your assistance, let me know if anything further is required.
