Re: INQ 11-130
No Limitations on Doing Business with the County Based on
Employment with the Board of Education

Dear Ms. Figueredo:

In correspondence to our office on August 21, 2011, you stated that your father, Leonardo Figueredo, wished to register your family company, Kingdom Cuts, Inc., as a County vendor.

You stated that you are employed by the Miami-Dade Board of Education as a Teacher.

As an employee of the Board of Education, you do not fall within the jurisdiction of the Miami-Dade County Code of Ethics. School Board employees are *not* County employees. Consequently, Kingdom Cuts, Inc., has no limitations on doing business with the County based on your employment with the Board of Education

If any of the facts you have presented change, or if you have further questions, please do not hesitate to contact me at my direct number, 305 350-0601.

Sincerely,

VICTORIA FRIGO
Staff Attorney
