David:

I agree with you interpretation. Solicitations in one's official capacity for official city business are permitted by the County's ethics code.

Hi Robert- do you agree that in connection with a City's July 4th community celebration , the City staff may solicit donations from the business community, including but not limited to, City vendors and developers , to be used by the City for the hosting of the July 4th event at City facilities. The July 4th event includes entertainment, fireworks, food and beverages. Please confirm whether you agree that the above described activities would not be contrary to Sec. 2-11.1 (e) (w) or other provision of the County Ethics Code , in light of the City's public purpose of celebrating this patriotic event.

Thank you.
