Subject: INQ - Commissioner Sosa

Commissioner Sosa has requested an opinion regarding whether she may vote on a Resolution Authorizing an Affiliating Agreement with the Miami-Dade Public Schools for the provision of educational classes for juveniles in the custody of Miami-Dade Corrections and Rehabilitation Department. It is my understanding that Commissioner Sosa has no involvement with the said program or contract through her fulltime position at the Lindsey Hopkins Technical Education Center; that she in no way stands to benefit from or be enhanced by the program, and in no way stands to personally benefit from the program either through her employment with Lindsey Hopkins or her position in the County. Under these circumstances, Commissioner Sosa does not have a prohibited conflict of interest and may participate and vote on the matter.

Sincerely,
Joseph M. Centorino
Executive Director and General Counsel
Miami-Dade Commission on Ethics and Public Trust
