Subject: INQ -Gerald Sanchez

Assistant County Attorney Gerald Sanchez asked whether it would be appropriate for county employees to solicit contributions for the Wounded Warrior Project, a non-profit group aiding wounded combat veterans, where the County Commission had endorsed the project and given its support to the fundraising effort. I informed him that in view of Section 2-11.1(e), it would be permissible for the employees to do so. The County Commission's endorsement and involvement in the project would be viewed as sufficient to make such fundraising into the "performance of their official duties for use solely by the County in conducting its official business."
