Subject: INQ - Commissioner Xavier Suarez

Commissioner Suarez inquired about whether it would be a violation of the Sunshine Law for a Commissioner to speak with another Commissioner following a contentious vote in an effort to smooth over any harsh rhetoric that may have occurred during the discussion. I informed the Commissioner that it would not be a violation if the matter had been the subject of a final vote and no further action was anticipated, or, alternatively, if the comments were directed only to the tone of the discussion and in no way intended to convey or receive substantive information or opinions about the matter.
