**Subject:** INQ 12-081 (Commissioner Heyman)

Commissioner Heyman called. There is an opening on the MDX Board and the person who she would like to appoint is a lobbyist for the County at the State and Federal level. Her question was whether this appointment would be prohibited. After Victoria and I discussed, I called her back and told her that it would not violate any section of our code but, of course, the lobbyist would not be allowed to lobby before the MDX.
