Mr. Foeman,

You asked about the appropriate financial disclosure form to be filed by the Chief Information Officer in the City of Coral Gables.

Because this person is the Director of the Information Technology Department and does not have purchasing authority over \$20,000, he is required to file the County form, "Source of Income Statement," with your office.

Attached is the County form that should be filed with your office by July 1st. If you have additional questions, please feel free to contact me.

Sincerely,

VICTORIA FRIGO, STAFF ATTORNEY

Subject: FW: Financial Disclosure - Miami Dade County

Good Afternoon Ms. Ramos:

I am requesting an advisory opinion as to whether our Chief Information Officer (Job Description Attached), is required to file a Statement of Financial Interests Form 1 (State Form), in accordance with Florida Statutes 112.3145(1)(a)(2011)?—or is he only required to file a copy of his federal income tax return; or a Source of Income Statement, or a Statement of Financial Interests, pursuant to Miami-Dade County requirements, as more particularly described in Miami-Dade County Section 2-11.1(i)(2)& 4?

In closing , your immediate attention to this matter is greatly appreciated.

Thank you.

Walter Foeman
