Councilman Hernandez,

As we discussed, you may participate and vote this evening on awarding a city contract to a former business associate. You stated that you have not had a business relationship with the individual for over one year, and you will not, directly or indirectly, profit or be enhanced by the vote. Consequently, you are allowed to vote on this matter as per the County Ethics Code at Sec. 2-11.1 (d).

If you have additional questions, please feel free to contact me.

Sincerely,
