Mr. Manresa:

If you were present at the Ethics Seminar held on August 2, 2012 at the Commission Chambers you are not required to take the course that is currently being put on line. You will, however, be required to take a refresher course within two years.

Good Morning,

As a DERM representative I attended the Ethics Seminar held on August 2, 2012 at the Commission Chambers at the SPCC. I was informed at the time by Department staff that this seminar would count as credit for having completed the upcoming mandatory Electronic Ethics Course. Can someone from your organization clarify if those in attendance still require to take the current electronic Ethics Course offering. Thank you in advance.

Kind regards,

**Alexi Manresa**, Records Coordinator
