Carmen,

Following a discussion with Mr. Bibeau on Feb. 28, 2013, I concluded that the Miami River Commission is not a County board and, consequently, members of the Miami River Commission are not required to file financial disclosure statements under County Code Sec. 2-11.1 (i).

Sincerely,

VICTORIA FRIGO, SENIOR STAFF ATTORNEY

Good morning,

We just received the attached fax from the Miami River Commission. Please advise if this means that the Miami River Commission is no longer required to file since they are not considered local officers or if they now have a County filing requirement.

Please advise when you can, thank you.
