Ms. Lenglade:

As indicated below, the appropriate action would be to contact Ms. Rhonda Victor Sibia , COE Communications Director, at her email referenced above. She can schedule the person to complete the video version of the refresher course.

If he cannot make the live refresher course he should arrange with Rhonda to take the video version of the refresher.

Joe:

This person is due to take the refresher course (there have been no lapses in registration). However, the date for the 4 hours course is more convenient for him. I asked Robert Thompson if the person could attend the first two hours of the 4 hour training and satisfy the refresher course requirement. He said that you needed to authorize it. Please advise.

Thanks,

Mimi

Yes he did complete the initial ethics training. Just for discussion purposes, if he could not make any other course than the Initial Ethics course in October and opted to take that one, would this satisfy his training requirement?

Thanks again,  
Kara Lenglade

*Did the employee take the initial ethics lobbyist training?  
If, yes, we will be having further training schedule for November.*

Good afternoon,

We have an employee that is currently a registered lobbyist with the County and has been continuously since his initial registration and therefore is eligible for the Refresher Training course. However, the upcoming initial Ethics course may work better for his schedule and if he elected to attend this course rather than the Refresher, would this satisfy his training requirement?

Thank you in advance for your assistance.

Regards,  
Kara Lenglade
